

## **SITE LAYOUT VARIATIONS**

### **OPTION 1**

Home page starts with a hero image or video. Next section contains about/why of RMG. Subsequent sections present what RMG offers by project (A) or by service (B). Contact information/form is at the bottom.

A – Each card contains an image and a description of a highlighted project. The services provided by RMG will be contained in the About RMG section with CTAs.

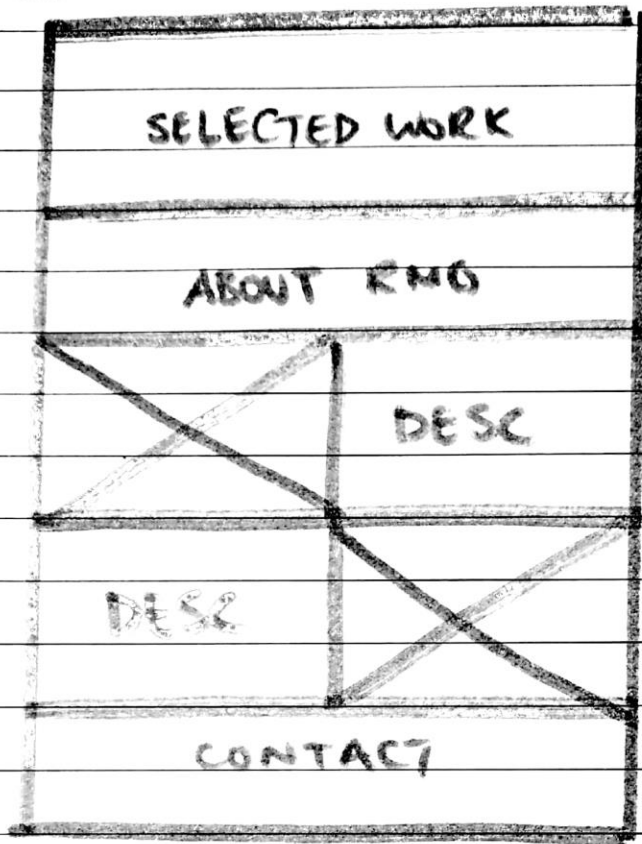

B – Each card contains an image and a description of a highlighted service. A call to action in each card leads to a page describing a service.

Home page contains links to all other pages, where each service has its own page. The individual service page will contain a description of the service, selected projects, and a contact section.

OPTION 2: Home page starts with an about/why of RMG. Each service is described, with a call to action to the service's individual page. Contact information/form is at the bottom.

The individual service page will contain a description of the service, selected projects, and a contact section, as shown.
